Aura Global Trade

Aura Global Trade is built on international experience and strong professional connections across markets such as the Netherlands, Spain, Australia, and Italy. We operate with a global perspective while maintaining a deep commitment to premium quality and responsible sourcing.

Founded and led by two women driven by vision, creativity, and excellence, Aura Global Trade represents a modern standard in conscious and refined business.

We believe true value lies in detail, responsibility, and long-term partnerships, offering products that inspire healthier choices and elevate everyday experiences.

At Aura Global Trade, premium is not only a category — it is our commitment.

We build our brand on trust, elegance, and meaningful growth, delivering carefully curated products designed for today's discerning consumers

XIR Energy Drinks

XIR Energy Drinks offer a vibrant range of refreshing flavours designed to energise your day with taste and

From the classic original to fruity modern blends, XIR delivers an exciting experience for those who enjoy premium energy beverages.

The XIR Junior edition has been carefully created and dedicated to young people — offering the same ic flavour as the classic XIR energy drink, while contaning no taurine and no caffeine.

Enriched with essential vitamins, it is a completely safe choice designed to deliver the full taste experience without stimulants.

All XIR beverages are Halal certified, ensuring they meet the highest standards of quality, safety, and responsible production.
